Medicare Physician Fee Schedule Change Passed and Signed Into Law

Houston, TX, June 28, 2010 – The President signed into law on Friday, June 25, 2010, The Preservation of Access to Care for Medicare Beneficiaries and Pension Relief Act. The bill was approved by the U.S. House of Representatives by a vote of 417 to 1. The Senate had earlier approved the measure.

The legislation increases reimbursement to providers of outpatient physical therapy for Medicare patients by 2.2% effective June 1, 2010 through November 30, 2010. The Center for Medicare & Medicaid Services (CMS) is expected to begin processing claims submittals at the new rate no later than July 1, according to a letter released by the agency on Friday.

As of the most recent quarter ended March 31, 2010, Medicare accounted for approximately 23% of U.S. Physical Therapy's billings.

Forward-Looking Statements

This press release contains statements that are considered to be forward-looking within the meaning under Section 21E of the Securities Exchange Act of 1934. These statements contain forward-looking information relating to the financial condition, results of operations, plans, objectives, future performance and business of our Company. These statements (often using words such as “believes”, “expects”, “intends”, “plans”, “appear”, “should” and similar words) involve risks and uncertainties that could cause actual results to differ materially from those we project. Included among such statements are those relating to opening new clinics, availability of personnel and the reimbursement environment. The forward-looking statements are based on our current views and assumptions and actual results could differ materially from those anticipated in such forward-looking statements as a result of certain risks, uncertainties, and factors, which include, but are not limited to:

- revenue and earnings expectations;
- general economic conditions;
- business and regulatory conditions including federal and state regulations;
- changes as the result of government enacted national healthcare reform;
- availability and cost of qualified physical and occupational therapists;
- personnel productivity;
- changes in Medicare guidelines and reimbursement or failure of our clinics to maintain their Medicare certification status;
- competitive, economic or reimbursement conditions in our markets which may require us to reorganize or close certain clinics and thereby incur losses and/or closure costs including the possible write-down or write-off of goodwill and other intangible assets;
- changes in reimbursement rates or payment methods from third party payors including government agencies and deductibles and co-pays owed by patients;
- maintaining adequate internal controls;
- availability, terms, and use of capital;
- acquisitions and the successful integration of the operations of the acquired businesses;
and
- weather and other seasonal factors.

Many factors are beyond our control. Given these uncertainties, you should not place undue reliance on our forward-looking statements. Please see our periodic reports filed with the Securities and Exchange Commission (the "SEC") for more information on these factors. Our forward-looking statements represent our estimates and assumptions only as of the date of this press release. Except as required by law, we are under no obligation to update any forward-looking statement, regardless of the reason the statement is no longer accurate.
