U.S. Physical Therapy Presented at the 17th Annual Midwest Ideas Conference

Houston, TX, August 27, 2026 – U.S. Physical Therapy, Inc. (“USPH” or the “Company”) (NYSE, NYSE Texas: USPH), a national operator of outpatient physical therapy clinics and provider of industrial injury prevention services, today announced that Chris Reading, Chairman and Chief Executive Officer, presented at the 17th Annual Midwest Ideas Conference held on August 26, 2026. The presentation included a discussion of the overall operating environment in healthcare, the Company’s key initiatives and a broad overview of opportunities.

About U.S. Physical Therapy, Inc.

Founded in 1990, U.S. Physical Therapy, Inc. owns and/or manages 798 outpatient physical therapy locations in 45 states. USPH clinics provide preventative and post-operative care for a variety of orthopedic-related disorders and sports-related injuries, treatment for neurologically-related injuries and rehabilitation of injured workers. USPH also has an industrial injury prevention business which provides onsite services for clients’ employees including injury prevention and rehabilitation, performance optimization, post-offer employment testing, functional capacity evaluations, and ergonomic assessments.
